Transmittal No.: X252588  
Application No.: SE-12-039  
Class: NM25  
FMF No.: 130020  
**AIR QUALITY PLAN APPROVAL**

Dear Mr. Swzaja:

The Massachusetts Department of Environmental Protection ("MassDEP"), Bureau of Waste Prevention, has reviewed your Non-Major Comprehensive Plan Application (NMCPA) ("Application") listed above. This Application concerns the proposed operation of degreasing, cleaning, hand wiping and hand brushing at your manufacturing facility located at 225 Theodore Rice Boulevard in New Bedford, Massachusetts ("Facility"). The Application bears the seal and signature of Stephen Slocumb, Massachusetts Registered Professional Engineer number 41356.

This Application was submitted as required by Notice of Noncompliance NON-SE-12-9009-27, dated June 6, 2012, and in accordance with 310 Code of Massachusetts Regulations (CMR) 7.02 Plan Approval and Emission Limitations as contained in 310 CMR 7.00 "Air Pollution Control," regulations adopted by MassDEP pursuant to the authority granted by Massachusetts General Laws, Chapter 111, Section 142 A-J, Chapter 21C, Section 4 and 6, and Chapter 21E, Section 6. MassDEP's review of your Application has been limited to air pollution control regulation compliance and does not relieve you of the obligation to comply with any other regulatory requirements.

MassDEP has determined that the Application is administratively and technically complete and that the Application is in conformance with the Air Pollution Control regulations and current air pollution control engineering practice, and hereby grants this **Plan Approval** for said Application, as submitted, subject to the conditions listed below.

Please review the entire Plan Approval, as it stipulates the conditions with which the Facility owner/operator ("Permittee") must comply in order for the Facility to be operated in compliance with this Plan Approval.

1. **DESCRIPTION OF FACILITY AND APPLICATION**

The Permittee is a manufacturer of ceramic to metal seals, and the facility has been in operation since the 1960's and currently consists of approximately 55,000 square feet of manufacturing/office space. On June 6, 2006, MassDEP issued Limited Plan Approval 4P06014, to replace and operate a packed bed scrubber, used to control emissions from an electroplating operation. This NMCPA is being submitted to satisfy NON-SE-12-9009-27, that resulted from a MassDEP inspection in May 2012. The Permittee has submitted this NMCPA for approval of its degreasing and parts cleaning operations. The application indicates that the degreasers currently use trichloroethylene and are subject to 40 CFR 63, Subpart T - "National Emission Standards for Hazardous Air Pollutants: Halogenated Solvent Cleaning" and all requirements there under. The Department has not accepted delegation of enforcement authority from EPA - New England, Region 1 for this Subpart. Therefore, EPA - New England, Region 1 is responsible for the enforcement and determination of applicability of this Subpart. Questions concerning this matter should be directed to the Susan Lancey of EPA - New England, Region 1, (617) 918-1656, [lancey.susan@epa.gov](mailto:lancey.susan@epa.gov).

2. **EMISSION UNIT (EU) IDENTIFICATION**

## **6. MASSACHUSETTS ENVIRONMENTAL POLICY ACT**

MassDEP has determined that the filing of an Environmental Notification Form (ENF) with the Secretary of Energy & Environmental Affairs, for air quality control purposes, was not required prior to this action by MassDEP. Notwithstanding this determination, the Massachusetts Environmental Policy Act (MEPA) and 301 CMR 11.00, Section 11.04, provide certain “Fail-Safe Provisions,” which allow the Secretary to require the filing of an ENF and/or an Environmental Impact Report (EIR) at a later time.

## **7. APPEAL PROCESS**

This Plan Approval is an action of MassDEP. If you are aggrieved by this action, you may request an adjudicatory hearing. A request for a hearing must be made in writing and postmarked within twenty-one (21) days of the date of issuance of this Plan Approval.

Under 310 CMR 1.01(6)(b), the request must state clearly and concisely the facts, which are the grounds for the request, and the relief sought. Additionally, the request must state why the Plan Approval is not consistent with applicable laws and regulations.

The hearing request along with a valid check payable to the Commonwealth of Massachusetts in the amount of one hundred dollars (\$100.00) must be mailed to:

Commonwealth of Massachusetts  
Department of Environmental Protection  
P.O. Box 4062  
Boston, MA 02211

This request will be dismissed if the filing fee is not paid, unless the appellant is exempt or granted a waiver as described below. The filing fee is not required if the appellant is a city or town (or municipal agency), county, or district of the Commonwealth of Massachusetts, or a municipal housing authority.

MassDEP may waive the adjudicatory hearing-filing fee for a person who shows that paying the fee will create an undue financial hardship. A person seeking a waiver must file, together with the hearing request as provided above, an affidavit setting forth the facts believed to support the claim of undue financial hardship.

Enclosed is a stamped approved copy of the application submittal.

Should you have any questions concerning this Plan Approval, please contact Dan Kamieniecki by telephone at 508-946-2717, or in writing at the letterhead address.

*This final document copy is being provided to you electronically by the  
Department of Environmental Protection. A signed copy of this document  
is on file at the DEP office listed on the letterhead.*
